

PROPOSAL OF THE BOARD OF DIRECTORS FOR RESOLUTION ON AUTHORIZATION FOR THE BOARD OF DIRECTORS REGARDING NEW ISSUES

The Board of Directors of Realfiction Holding AB (publ) proposes that the Extra General Meeting resolves to authorize the Board to, at one or several occasions, during the time up until the next Annual General Meeting, with or without deviation from the shareholders' preferential rights, resolve to issue shares, share option rights and/or convertibles. A new issue should be able to be made with or without provisions regarding contribution in kind, set-off or other conditions specified in chapter 13 § 5 first paragraph item 6, chapter 14 § 5 first paragraph item 6 and chapter 15 § 5 first paragraph item 4 in the Companies Act (Aktiebolagslagen).

If this authorization is used to issue new shares, share option rights or convertibles, the number of shares that can be issued or added in conjunction with exercise of share option rights or conversion may not exceed a total of 30 percent of the total number of outstanding shares in the Company on the day when the Board utilizes the authorization the first time. The subscription price is to be set according to market pricing (while reserving the right to use a market relevant discount when applicable). The aim of this authorization is to enable the Company to acquire operating capital, to conduct and finance business acquisitions and to facilitate share issues to industrial partners involved in collaborations and alliances.

The company's CEO shall be authorized to make such minor formal adjustments of the resolution as might be necessary in connection with registration with the Swedish Companies Registration Office and/or Euroclear Sweden AB.

Passing the resolution in accordance with the above requires the support of shareholders representing at least two-thirds of both the votes cast and the shares represented at the Extra General Meeting.
